

SMALL BUSINESS EXPO RESOURCE REFRESHER

Thank you for attending today's Small Business Expo!

Small businesses are at the heart of our economy, creating jobs and opportunity. Helping small businesses grow and helping more minority and women-owned small businesses succeed is essential to building a more inclusive, resilient economy. That's why I'm proud to host this event and to have formed my Small Business Advisory Council. My office is here to help, please contact my team or our Expo partners for more guidance.
